

# ICOLD 2024 Pre-conference Site Visit

## Expression of Interest

ICOLD Committee L - Tailings and Waste Lagoons are planning a pre-conference site visit, subject to interest, as follows:

**Option 1 2-day visit to Udaipur with tour of TSF at Hindustan Zinc’s Zawar Zinc Refinery (Wed 25<sup>th</sup>/Thursday 26<sup>th</sup> September 2024)**

Early flight from Delhi to Udaipur, nicknamed "Venice of the East", the most romantic of the cities of Rajasthan. Transfer to Zawar zinc Refinery to inspect the Zawar TSF. This 90m high structure commenced as a conventional tailings dam reaching 60m high with upstream construction. The structure has been converted to dry-stacking with filtered tailings. Check into hotel [Fateh Garh](#) OR [Fateh Vilas](#). Relaxing evening with group dinner overlooking Udaipur. Following morning visit the museum at City Palace, the Jagdish Temple, the beautiful garden Sahelion Ki Bari and Bharatiya Lok Kala Mandir. Walk in the old city near Jagdish Temple and enjoy a boat ride on Lake Pichola.

Approximate cost (twin share) US\$350 pp or \$415 with single room occupancy

**Option 2 One day visit to Jhajjar ash pond.**

Jhajjar ash pond, associated with the Indira Gandhi Super Thermal Power Project- 3 hours from Delhi is one of the first High Concentrated Ash Slurry Disposal System (HCDS) processes in India and is part of planned water reduction in thermal power generation. There are tile and brick/block manufacturing businesses associated with the plant to generate useable products from this waste material.

Depart hotel by bus Thursday 26<sup>th</sup> September at 8am and arrive back at hotel 6:30  
Approximate cost \$50 pp

### Expression of Interest

I am interested in a pre-conference tour (tick preferred Option
