Dear Author for Poster session,

Please be advised that authors are required to bring a hard copy of their posters, with dimensions of 3.5 x 2.8 feet. You may create your poster using any software of your choice, such as CorelDraw, Adobe Illustrator, PowerPoint, or others.

For those who need assistance with printing the posters in New Delhi, our Professional Conference Organizer (PCO) is available to help. You can arrange this service at a nominal fee by contacting them at exhibition.icold2024@icem.net.in. Alternatively, you may reach out to Mr. Abhishek from the PCO team via email at abhishek@icem.net.in for further assistance.

Detailed instructions for preparing your poster and additional relevant information can be found on the ICOLD 2024 website under the Author Panel.

Thank you for your attention, and we look forward to your participation.
